

SUCCESS ACADEMY – STOP THE MANDATORY WEEKLY TESTING OF UNVACCINATED SCHOLARS!

END YOUR AGGRESSIVE PROMOTION OF AN EXPERIMENTAL VACCINE!

1200+ PARENTS HAVE SIGNED A PETITION TELLING YOU: THEY WANT TO MAKE MEDICAL DECISIONS FOR THEIR KIDS...WITHOUT PROPAGANDA OR INTIMIDATION.

LISTEN TO THE PARENTS:

**** *“I would like to know if next year the school will continue to segregate unvaccinated children from after school sports.” LZ, parent*

**** *“[You are] punishing parents and their kids who have serious concerns over the benefits of experimental RNA technology” GM, parent*

**** *“[The mandatory testing] causes unnecessary stress, for example my son . . . experiences nose bleeds every time he must do the test. It breaks my heart to see him suffering from almost weekly blood loss.” EZ, parent and physician*

**SUCCESS ACADEMY GETS PUBLIC MONEY AND FACILITIES.
DEMAND IT RESPECT PARENTS’ MEDICAL FREEDOM OF CHOICE**
